

Appendix 4 – Estimated rates

The below table provides the estimated and indicative day rates that will be contracted under the new CGH Pricing Model.

These rates are being validated against current scenarios and will be formalised later in 2025, ahead of contracts being awarded. These rates are being provided to demonstrate approximate figures only.

The rates will replace existing: Day Rates, Sleepover Top-ups, Pay Equity Advance Interim Payment top-ups, and Day Activity Contributions (DAC). The rates will all be Client Contribution Inclusive.
